EUGENE LOTT, JR. IS NAMED NLRB'S SECURITY OFFICER

The National Labor Relations Board today announced the appointment of Eugene Lott, Jr. as its Security Officer. He will be responsible for the overall management of the agency's physical and personnel security program.

A native of Washington, D.C., Mr. Lott had been serving since 1990 as a Physical Security Specialist in the NLRB's Division of Administration, and in that position, was responsible for physical security in the agency's headquarters and field offices. He joined the NLRB as an Investigator in 1987.

The NLRB administers and enforces the National Labor Relations Act. It conducts secret ballot elections to determine whether employees desire union representation, and it investigates and remedies unfair labor practices.

Prior to joining the NLRB, Mr. Lott was a Special Agent with the Federal Protective Service (FPS) conducting criminal investigations while on assignment with the Naval Investigative Service, the FBI Office Thefts Taskforce, the U.S. Secret Service (USSS), and the Drug Enforcement Administration (DEA). He also served as a Federal Police Officer patrolling Federal buildings, taking part in crowd control during demonstrations that occurred in Washington, D.C., and serving as a member of a special operations group for two years that oversaw the Cuban boatlift operations in the 1970s.

Mr. Lott has received extensive training in criminal justice and investigative techniques. He is a graduate of the Department of Treasury's Federal Law Enforcement Training Center Criminal Investigator's School, the DEA's Basic Agent School, the USSS's Executive Protection Course, GSA's Physical Security Course, the Defense Department's Security Institute, the National Emergency Training Center, the University of Delaware's Physical Security Survey Course, and the U.S. Park Police's Bank Robbery and Investigation School.

Mr. Lott earned an Associate in Arts degree in Criminal Justice and Security Management from Prince George's Community College in 1991. This spring he will receive his B.S. degree in Criminal Justice from Chadwick University.

In a statement announcing the appointment, Gloria Joseph, Director of Administration, stated.

"Gene has always been a very highly valued employee. We are fortunate to have someone with his breadth of experience and consistently sound judgment, and I have every confidence that he will serve the agency well in his new role."

Mr. Lott and his wife, Wanda, reside in Mitchellville, Maryland and have three children, Courtney (21), Twanna (16), and Charlie (14). During nonwork time, Mr. Lott enjoys reading war-related historical books, traveling with the family, and coaching football at the local boys club.
